A tale of a rat and a burger

Family sues after rodent's head found in Big Mac

McDonald's denies negligence in food handling

THE TORONTO STAR
A lawsuit filed in Ontario court on Monday alleges that a McDonald's restaurant in Toronto was negligent in food handling when a rat's head was found in a Big Mac. The lawsuit, filed by the family of a 10-year-old boy, claims that the restaurant was negligent in food handling when a rat's head was found in a Big Mac. The lawsuit, filed by the family of a 10-year-old boy, claims that the restaurant was negligent in food handling when a rat's head was found in a Big Mac.

The lawsuit begins when Joseph's parents, Anne and John, claim to be the father of the boy. The boy, who is now 10 years old, claims that he ate a Big Mac at the restaurant on Jan. 12, 2004. The boy claims that he found a rat's head in the Big Mac. The lawsuit, filed by the family of a 10-year-old boy, claims that the restaurant was negligent in food handling when a rat's head was found in a Big Mac.

Fast-food lawsuits can be fickle or fruitful
January 2004, A New York City man's lawsuit against a fast-food chain for allegedly serving a rat's head in a burger. The lawsuit, filed by the man's family, claims that the restaurant was negligent in food handling when a rat's head was found in a Big Mac. The lawsuit, filed by the family of a 10-year-old boy, claims that the restaurant was negligent in food handling when a rat's head was found in a Big Mac.

After his teenage son ate a burger in a bowl of chili at Wendy's, Anne Marie, 28, found a chunk of rat head in the burger. She says she is suing the restaurant for negligence.
