

Ontario Hockey League 2013-14 Attendance Graph

Attendance Home -> OHL -> Attendance

This is a graph of the attendance of the Ontario Hockey League for the 2013-14 season. Attendance is based on numbers from a team or league, either released as an official yearly per-game average figure, or compiled into an average from individual boxscore attendance. In some cases where boxscore attendance is unavailable for a small number of games, the attendance is computed omitting the missing games and annotated as approximate. Clicking on a team's bar in the graph will display a graph of that team's attendance across all seasons.

This is Exhibit "1" referred to in the
 affidavit of Samuel Berg
 sworn before me, this 18th
 day of February, 2015
