Ken King
President, Chief Executive Officer, Governor

Ken King was named President and Chief Executive Officer of the Calgary Flames on August 15, 2001. He also serves as the President, Chief Executive Officer and Governor of the Calgary Hitmen of the Western Hockey League.

Like you, King has an overwhelming fondness for the sport. His aspiration every season is to raise the bar another notch to reward devoted fans with the best possible entertainment package in the league.

King is a strong believer in contributing to the community and he knows incredible achievements can be accomplished when aspiration and determination mix with a visionary approach, meaningful intentions, responsible actions and, above all, consideration for others. His current community involvement spans numerous organizations, including chairman, TELUS Community Board, past co-chair of REACH (a \$300 million medical fundraising initiative), the Calgary Committee to End Homelessness, the Calgary Sport Tourism Authority, the Calgary Exhibition & Stampede, Borden Ladner Gervais CIAU Athlete of the Year Awards Committee and the Rotary Club of Calgary. Previous support and commitment involved the Calgary Prostate Cancer Centre, Calgary Philharmonic Society, No Ka Oi Ranch Foundation and past-chairman of the Calgary Chamber of Commerce.

In 2005, King received an Alberta Centennial Medal for outstanding contributions to the province of Alberta. Other awards include the Queen's Golden Jubilee Medal for community service and the commemorative medal for the 125th Anniversary of the Confederation of Canada. In 1991, he was honoured as B'Nai Brith Man of the Year.

Born and raised in Hanley, Saskatchewan, King launched a 30-year career in the newspaper business that included senior executive positions in Canada's leading newspapers including President and Publisher of the Calgary Sun and Calgary Herald. During his newspaper career in Calgary, King was acknowledged for his innovative marketing, establishment of healthy corporate relationships, spirited community leadership and appreciable growth for the newspapers.

King is an avid, but mediocre golfer, and like many other Albertans, shares a passion for horses. He and his wife, Marilyn, have two daughters and they are proud grandparents to Amanda's twin boys and Jocelin's baby boy.

Head Coach – Ryan McGill

In his second stint with the ICE, Ryan McGill begins his third season as bench boss. Last season McGill led Kootenay to their 16th consecutive playoff berth and first round win over the Calgary Hitmen despite dealing with numerous injuries and sickness to key players in the last two months of the regular season. Ryan is the all-time leader in coaching victories with the ICE (248-196-50 career regular season record), including back-to-back 100 point seasons (1999-2000 and 2000-2001), six playoff appearances, two Conference titles, two WHL Championships (2000 and 2002), one Memorial Cup Championship (2002) and one WHL Coach of the Year Award (2012-2013). McGill left Kootenay following the 2002 Memorial Cup and spent seven years in the American Hockey League as Head Coach of the Hartford Wolf Pack (2002-2005) and Omaha Ak-Sar-Ben Knights / Quad City Flames (2005-2009). He was promoted to Assistant Coach with the Calgary Flames in June 2009 and spent two years with the NHL Club. Ryan McGill is a native of Sherwood Park, Alberta. Ryan and his wife Karen are parents of two girls - Kate (15) and Kyla (11).

Russ Farwell

He led the Birds to a franchise record 52-17-3 mark in the 1989-90 campaign, after which he was rewarded as the WHL and CHL Executive of the Year. His Western League success, which included back to back Memorial Cup Championships in Medicine Hat in 1987 and 1988, led to his being signed by the NHL's Philadelphia Flyers to serve as their General Manager on June 6, 1990. Farwell rejoined the Thunderbirds in 1995. He is entering

his 11th consecutive season, 13th overall, as the Thunderbirds General Manager. His teams' on-ice exploits earned the club 30 sellouts during the 1989-90 season and paved the way for Thunderbird games to be played in the Seattle Center Coliseum. The Coliseum sealed three times as many fans as the Thunderbirds previous home, the 4,139 seat Seattle Center Arena. Seattle hosted a standing room only crowd of 12,553 against the Spokane Chiefs on February 9, 1990, then a WHL single game attendance record. Farwell completed the complicated acquisition of Czechoslovakian import Petr Nedved, who went on to become the #2 overall pick in the 1990 NHL draft, one of eight first round picks developed by Farwell in his WHL tenure. 1997 saw his Thunderbird squad capture the Western Division Championship, the first in franchise history. In June of the same year, Patrick Marleau became his second #2 overall NHL draft pick. Farwell, a native of Calgary, now calls the Woodinville area home along with his wife Brenda and children Kristine and Steven.
